CODE § 19130(B)**

§547.60.2. Notice to Employee Organizations

A state agency intending to execute a contract or amendment to a contract for personal services under conditions specified within Government Code section 19130, subdivision (b), shall notify all organizations that represent state employees who perform or could perform the type of work that is called for within the contract, unless exempted under Government Code section 19132, subdivision (b)(1), in no less than 20 days prior to the execution of the contract. The notice shall include the type of work to be performed under the contract, applicable exemption criteria under Government Code section 19130, subdivision (b), the value of the contract, and the length of the contract and any extensions of the contract. It is the contracting agency's responsibility to identify the appropriate employee organization(s) to be notified. If the contracting state agency is unable to determine which employee organization(s) is or are appropriate to be notified, or determines that no represented employees perform or could perform the type of work that is called for within the contract, the contracting state agency shall notify all employee organizations representing each of the bargaining units within state civil service.
